Dear Business Owner,

Lyndonville Music Boosters is pleased to offer an exciting opportunity to join the “Friends of Lyndonville Music Boosters” program to support music education at Lyndonville Central School. Music education is vital to the health and success of any educational institution. The Lyndonville Music Boosters exists to support the efforts of LCS music educators by providing funds to offset annual competition costs, cultural musical experiences, and recognition for those students who work hard and excel in the area of music, both vocal and instrumental.

The “Friends of Lyndonville Music Boosters” program seeks to partner with businesses and individuals who also value the importance of music in our schools. Lyndonville Music Boosters is a registered 501(c)3 organization, making your contribution tax deductible. With any level of support, “Friends” will receive free tickets to this year’s high school musical production of **Mama Mia!** (reserved seating), as well as complimentary dinners (Beef on Weck) prior to the Saturday show!

If you would like to partner with the Lyndonville Music Boosters and offer your support, please fill out the attached form and mail it ASAP in the self-addressed, stamped envelope. Your sponsorship will run from January 1, 2020 until December 31, 2020.

Thank you for taking the time to consider this proposal!

Sincerely,
 The Lyndonville Music Boosters
